Amendments

Amendments to Hedge Trading Bye-laws.

In the said Bye-laws :

The following Bye-laws be incorporated :

206A. The Clearing House of the Exchange shall maintain a Trade Guarantee Fund with a view to ensure the Guarantee of Performance of Contracts executed by the members/registered non-members of the Exchange through the respective Ring Members of the Exchange. The Exchange while providing the Guarantee of Performance of Contracts will act as the counter-party to all such contracts as are made and executed between the members/registered non-members of the Exchange through a Buying Ring Member and a Selling Ring Member. Any contract which has been executed and registered with the Exchange and has been accepted for clearing and settlement by the Exchange shall be falling, by virtue of its definition, within the ambit of the Guarantee of Performance of Contract.

206B. The Guarantee of Performance of Contracts shall circumvent all such cases of default whereby the performance of the contract has been affected either from the seller's point of view or from the buyer's point of view and, where the seller and the buyer, in a particular case, may face each other as the terminal parties to the settlement or closing out of the contract.

206C. Each decision to replenish a default through the Trade Guarantee Fund will be mooted through and decided by the Clearing House Committee and later ratified by the Board.

206D. The utilisation of the Trade Guarantee Fund will be solely and entirely restricted to meet the contractual liability arising out of the failure of a Ring Member and/or his member/non-member client to meet his obligations in a hedge trading contract. In any event, the liability of the Exchange as a legal counter-party will not exceed the monetary value of a particular contract which has been cleared by the Clearing House of the Exchange.

206E(i). The Trade Guarantee Fund shall be constituted by accumulation of a specified sum contributed by each Ring Member registered with the Exchange and such specified sum shall be determined by the Board of Directors from time to time and stipulated to the trade under prior concurrence of the Forward Markets Commission.

(ii). The individual contribution of a Ring Member to the Trade Guarantee Fund remains refundable, after appropriation of all deductibles, to him or his successors in case of his withdrawal from Ring Membership Death or any such event/s which make him non-operative as a Ring Member and there is a written submission to the Exchange to withdraw the contribution of the said Ring Member to the Trade Guarantee Fund.

(iii). The contribution so made by the Ring Members/Members in the Trade Guarantee Fund will be defined as interest-free contributions and the accumulation of funds generated out of the investments of the contributions will be credited to the Trade Guarantee Fund to augment its quantum.

(iv). The amount so refundable to a ring-member ceasing to be a ring-member of the Exchange pursuant to any of the eventualities described above, has to be determined on the basis of calculation establishing that he remains entitled to receive an amount equivalent to the proportion of his contribution to the total contribution as it stands on balance as Trade Guarantee Fund at the time of cessation of his ring-membership, subject to the maximum of the actual contribution made by him in the Trade Guarantee Fund.

206F (i). In respect of a transaction, the guarantee provided by the Exchange through the Trade Guarantee Fund shall be restricted to the extent of difference arising out of transactions which are neither intimated towards an option for delivery nor squared up nor closed out in course of trading in hedge contracts.

(ii). In case of a default by a particular Ring Member and the settlement of the default from the Trade Guarantee Fund, the Ring Member concerned will have to replenish the amount paid out to the other party within the next two working days following such payment as may be made out of the Trade Guarantee Fund. In case of non-replenishment, by the concerned Ring Member, of the amount already paid through the Trade Guarantee Fund within the stipulated period, the said amount will remain subject to immediate appropriation from his Initial Security Deposit under intimation to the Ring Member concerned and his Ring Membership will remain suspended till such time he makes up the statutory requirement of Initial Security Deposit as a Ring Member.

(iii). The Guarantee of Performance for trade settlement extends only to a counter-party who is a Member of the Exchange. The Exchange shall not be liable to make payments for obligations of a Ring Member/Member, having his Ring Membership or Membership in default, to any party/client/registered non-member or any other third party who may have executed dealings with the Ring Member/Member, having his Ring Membership or Membership in default.

(iv). In case of default(s) occurring in the course of transactions performed as a part of trading in Hedge Contracts, the total liability of Trade Guarantee Fund will under no circumstances exceed the overall corpus of the Fund as stands at the time of the default(s).

206G (i). The Trade Guarantee Fund will be organised in the form of a Trust body comprising of a minimum of three Members elongating to five members at the maximum number. The formation of the Trust will be duly registered with the appropriate authority with a properly executed Trust Deed. The composition of the Trust body will have to be duly approved by the Board of Directors, EIJE, in its meeting. The Board of Directors of the Exchange will formulate a permanent structural network for the Trust body by specifically fixing the criteria for selection of the Trustees.

(ii). The Trust so constituted will serve as an integral part of the Exchange, specifically designed to serve a definitive function. The income generated of the investible funds will be accounted separately, without being conglomerated into the main body of the accounts of the Exchange, to avail the benefits of exemptions from taxability of such income.

(iii). The Trade Guarantee Fund should be invested in Bank deposits or in marketable securities of Public Sector Undertakings or in such other approved or rated Securities as may be specified by the Trust and ratified by the Board of Directors from time to time and shall be based upon the exclusive objects to provide guarantee in respect of transactions settled through the Exchange under definitive criteria described in the Bye-laws for trading in Hedge Contracts.
